WMC offers a range of standard and custom art, from base design to accents. Standard options include popular designs such as flowers, crosses, and angels and more. Our craftspeople can also create custom art for your headstone or marker, such as a portrait of your loved one, a specific symbol or logo, or any other design that reflects their personality and interests.

Custom Accents

To create a truly personalized and unique tribute, we also offer a range of accents. These include bronze inlays, enameled steel inlaid pictures - which allows you to add a high-quality, detailed image of your loved one to their headstone or marker, or drilled pictures in porcelain or copper, which allow you to add a detailed, three-dimensional image.

Important details & information

Terms of Payment

- Wholesale Monument Co. requires 1/2 down in order to put the stone in production and make the order
- Payment in-full is required once the installation occurs

Work Arrangement

- Please pay attention to timeframes. They fluctuate depending on the time of year, weather, uncontrollable freight issues, economical factors, etc. Most, if not all, headstones are completed within the timeframe given at the time of purchase.
- It is imperative for customers to proofread layouts to make sure the spelling and dates are correct (once set in stone.....)
- Customers duty to understand the facing of the monument (especially important for double headstones to make sure the names/dates are on the correct side and ends of the stone)
- For pre-need stones (stones where the individual(s) are still alive), it is the customers duty to have the plots staked by the caretaker(s). If WMC needs to be the contact for marking the plots, we will need the caretaker(s) information to ensure the installation is correct
- Any additional labor not established on the contract (i.e. the existence of an old stone, removal of old foundations, etc. will incur extra cost
- The price of the monument, design, installation, etc. does NOT include final dates to be cut at the cemetery
- No verbal agreements are binding. We must have a signed contract and/or design approval in writing or e-signature
- Unless logistics don't allow for a visit the WMC shop, it is much easier to come in-person for the purchase
